

The Travel Store

Text Messaging is one of the most used forms of communication in North America, with more than 96% of text messages opened and read within minutes of receipt. And The Travel Store is excited to be the first travel agency in Canada with this technology; you need to be part of it!

Do you want to be one of the first to hear about amazing deals, discounts even alerts and more? Join **The Travel Store's** new exclusive **HOT DEALS** group in your area today!
